Together We Thrive

Since 2005, we have partnered with more than **20** communities and **27,000** individuals in Sierra Leone.

We value lasting solutions. **94%** of all projects are sustained by communities after implementation.

When communities work together, they progress together. **85%** of community members contribute cash to community projects.

OneVillage Partners

Working in Sierra Leone, we empower volunteer-leaders to address challenges in their communities and create opportunities for women's economic empowerment. Our programs build capacity and are focused on inclusive leadership, women and gender equity, social cohesion, and long-term resiliency.

Our work is rooted in our values:

Community-led
Disciplined
Sustainable
Equitable

With a mission to catalyze community-led transformation in rural Africa, we envision a future in which the people of rural Africa are engaged in building **thriving, connected,** and **resilient** communities.
